Objektif

Aimed at becoming a professional in the manufacturing industry that requires supervision, problem solving, and organization

Pengalaman

- PT DUTA SUGAR INTERNATIONAL** 16 OCTOBER 2011 - 2020 APRIL
WASTE WATER TREATMENT PLANT
#Jobdesk
 - Analysis Ph meter
 - Analysis of dissolved oxygen meters
 - Analysis of sludge sludge 30 minutes
 - Temperature analysis on minute aeration
 - Analysis of Chemical Oxygen Demand
- PT WAHANA LIMBAH INDUSTRI** 1 APRIL 2020 - 1 JULY 2020
WASTE WATER TREAT PLANT
#Jobdesk
 - Analysis Ph meter
 - Analysis temperatur tank
 - Analysis of fly ash combustion residue
 - Control the oil level in the oil tank
 - Safety patrol to the production team
 - Making brick-making concoctions for company side product
- PT PRIMA RAJULI SUKSES** 10 NOV 2021 - 10 NOV 2022
SUPERVISOR WATER TREATMENT
#Jobdesk
