PROFILE

To secure a challenging and rewarding position as a Civil Engineer, leveraging my educational background, professional experience, and proficiency in structural design, project management and construction supervision. I aim to apply my technical expertise and problem-solving skills in a dynamic and collaborative work environment. Seeking opportunities to enhance my skill set and make valuable contribution to the success of construction projects, while continuously advancing my career in civil engineer.

EDUCATION

BS. HONORS DEGREE

Superior University Lahore, Pakistan

DIPLOMA (ASSOCIATE ENGINEERING IN CIVIL)

PBTE Lahore, Pakistan

EXPERIENCE

LAHORE MOTORWAY CITY PROJECT [LAHORE, PAKISTAN]

(Feb 2019 to November 2024)

Managed multiple construction projects simultaneously, overseeing all phases from inception to completion, including planning, scheduling, and execution.

(SAMANABAD STATION P2 ORANGE LINE METRO TRAIN PROJECT [LAHORE, PAKISTAN])

(Jan 2017 to Jan 2019)

Oversaw all construction activities and operations at multiple project sites, ensuring adherence to project plans, schedules, and quality standards.

H V S SUB STATION P3 ORANGE LINE METRO TRAIN PROJECT [LAHORE, PAKISTAN]

(JAN 2016 – July 2017)

Checked the progress of work regularly, making sure it was safe and up to scratch, and fixing any problems quickly.
